

Family Support Navigator Program

What do we do?

The Family Support Navigator Program

is a grant funded program designed to assist families and individuals residing in

Putnam and Westchester Counties who

are struggling with Substance Use Disorder (addiction) by providing information on

available resources that are vital to recovery.

This program provides free services at a location of your choice.

What services do we provide?

- Family Support and Guidance
- Information and Referrals to Treatment, Social Services, Recovery Services and Self-Help Groups
- Assistance in Making Community Connections
- Family Support Groups & Addiction Education Workshops
- Holistic and Integrated Approach to Trauma Informed Services

How we can help?

Our trained staff will help you understand the progression of addiction and its impact on families. The program will increase the knowledge of existing and emerging supportive and recovery-oriented services.

All services are:

- confidential and free of charge
- available days, evenings and weekends
- at a location of your choice

Who we are?

We are a partnership of 2 agencies in Putnam and Westchester County:

- CoveCare Center
- Drug Crisis in our Backyard
