

CoveCare Center: Recovery is Happening

Sponsorships are available for our *Recovery is Happening* webinar series! Your donation will help us continue to provide the mental health and substance use services that are so in need at this time.

As a nonprofit organization, we rely on the generosity of our supporters – all proceeds directly impact our many programs and services. Our webinars will be recorded and shared with the community, our partners, and our supporters throughout the end of 2020 and 2021. Sponsors will be automatically registered for the webinars; the Zoom details will be forwarded prior to the event.
