Good Evening to All Our Guests

CoveCare Center's Imagine Gala offers us the chance to reflect on our mission and to celebrate those who have contributed greatly to it. The Sid Gibson Imagine Award is the embodiment of that commitment, not only to CoveCare's mission of wellness and recovery, but also to our entire community. Naturally, the evening also provides the opportunity to get together, have fun and connect while honoring all of these values.

This year, it was an easy decision to honor Michael Piazza, Putnam County's longtime Commissioner in the areas of Mental Health, Social Services and the Youth Bureau. Mike embodies the values of our agency and of this award in a way that is unique in many respects. Quite literally, his dedication is part of the genesis of our agency; without him in his role for all this time, it is unlikely that our agency would be where it is today. There are countless reasons for us to thank and appreciate him, and that is, in large part, what tonight is about!

We are so happy to have you here with us this evening, to celebrate our agency and to join us in appreciating and recognizing Mike. Our team is grateful to him, and grateful for your support in the pursuit of our mission. Thank you for being here!

Enjoy the evening,

Eric & Stacey

CoveCare Center Services

Service Segment	Description
Mental Health Counseling & Treatment	<p>Mental Health Clinic: Licensed therapists provide individual, group and family therapy, as well as therapy for children and seniors. In addition, psychiatrists prescribe and manage medications when needed, and trained peer specialists provide guidance and support based on lived experience.</p> <p>For general information, contact info@covecarecenter.org</p>
Alcohol & Substance Use Treatment & Prevention	<p>Substance Use Clinic: Credentialed counselors and social workers provide individual, family and group counseling. Certified Recovery Peer Advocates provides peer supports. Psychiatrists provide evaluations and prescribe medications, including treatment for opioid use. Medication Assisted Treatment (MAT) includes buprenorphine for the treatment of opioid use.</p> <hr/> <p>School Based and Community Prevention: CoveCare Center provides prevention education in Putnam County schools, raises awareness about substance use issues, and informs the public about local resources.</p> <hr/> <p>Family Support Navigator Program: CoveCare Center's trained staff assists families and individuals struggling with Substance Use (addiction) by providing information and resources vital to recovery. This program provides free confidential services at a location of your choice.</p>
Community-Based Services	
Adult Services	<p>Care Management for Adults: CoveCare Center provides assistance to adults with medical, mental health or substance use issues to navigate multiple service systems. They facilitate access to medical, mental health and substance use care; arrange transportation; housing resources; temporary assistance and food; and provide guidance in other areas of life management.</p>

**Family &
Children
Services**

Care Management for Children: Assistance for children who have multiple health, mental health, and/or substance use issues as noted under Adult Care Management plus advocacy in schools, assistance with issues related to custody and court issues and connection to resources that will help strengthen the family.

Coordinated Children's Services Initiative (CCSI): For families whose children have mental health needs and who are at high risk for placement outside the home, CCSI provides a single point of access for supportive services.

Family Peer Support and Advocacy: CoveCare advocates with personal family experience and helps families navigate issues with mental health, substance use, school, court and probation. We also offer curriculum-based classes for strengthening parenting skills, and youth peer support.

Children and Family Treatment and Support Services (CFTSS): An array of rehabilitative services for children and youth under the age of 21 who are Medicaid eligible and meet medical necessity. Services can be provided in the home and the community. The program focuses on prevention and early intervention to prevent the onset or progression of behavioral health conditions.

Children's Respite: Planned recreational activities and supports for children and teens experiencing mental health challenges. The overall goal is to build positive relationships with peers, adult mentors, and to have fun while giving caregivers a much-needed break.

Supervised Visitation: Available to any person with a court order requesting supervised visitation. We provide a safe, neutral environment in which to build the parent-child bond and build trust.

**Personalized
Recovery-
Oriented Services
(PROS)**

PROSper helps adults with serious mental health issues to recover, heal, and gain independence. Services include goal-oriented counseling, more than 50 classes per week to choose from, medication management, and vocational counseling.

With Gratitude

2023 Sid Gibson Imagine Award Recipient

The Sid Gibson Imagine Award was created in 2014 to recognize extraordinary people who positively impact our neighbors facing mental health and substance use issues. Importantly, the Imagine award recipient imagines a community free from stigma and works tirelessly to achieve this goal.

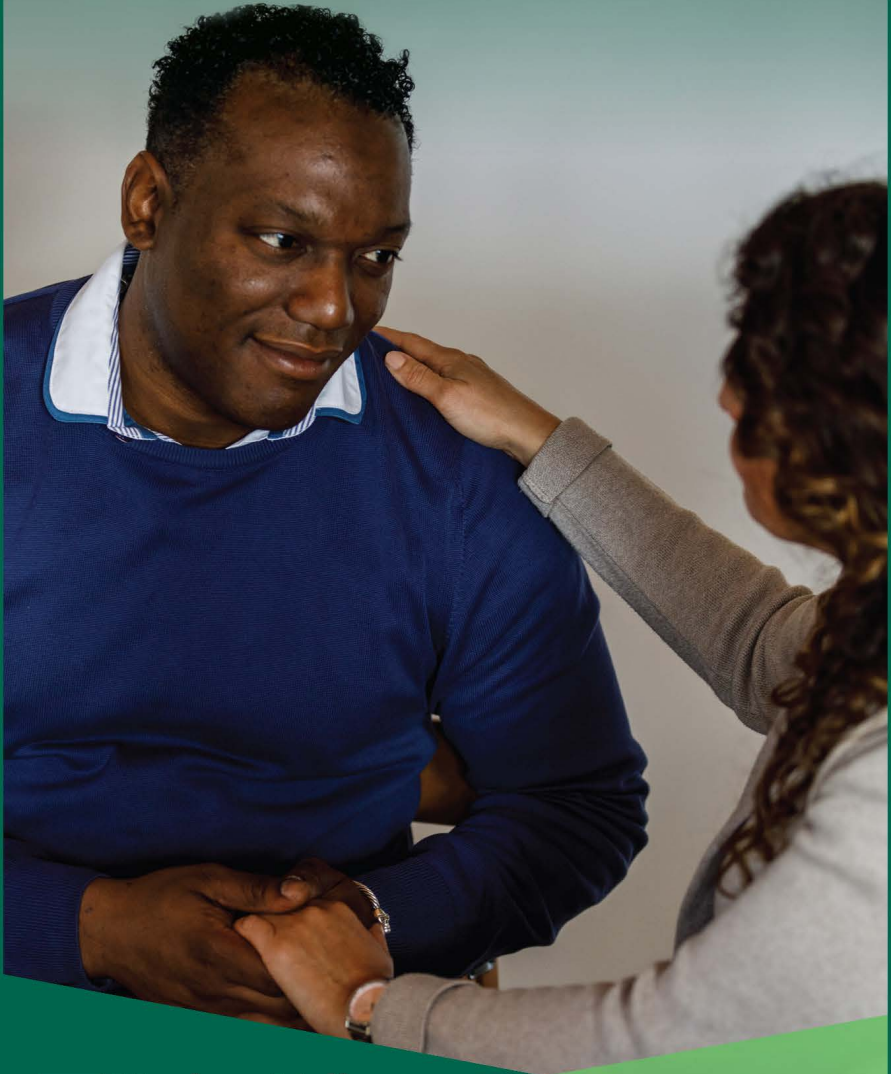

It has been our gift to work with Mike Piazza over these years. Thank you, Mike, for all you have given us. We cannot wait to see what lies ahead in the future.
