Dear Guests,

On behalf of the associates of CoveCare Center and its Board of Directors, we extend our warmest welcome to each of you as we gather for the 2024 Imagine Gala. It is truly a pleasure and an honor to share this special evening with friends, supporters, and partners who believe in our mission.

This evening is a celebration—not only of the work we have accomplished, but of the unwavering support from people like you, who make it all possible. Your presence tonight speaks volumes about your commitment to our cause, and we are deeply grateful for your generosity and dedication. Because of your contributions, we empower people to make the changes they need to lead the lives they want.

As we enjoy the festivities, the dinner, and the dancing, let us remember the impact we are creating together. Every contribution, every gesture of support, brings us one step closer to fulfilling our vision of a strong, united community where all people are valued, accepted, and empowered to live healthy lives.

I hope this evening not only entertains you but also fills you with pride for the incredible difference we are making together. Let tonight be a reminder of the power of community and collaboration.

Thank you, from the bottom of our hearts, for your continued support. Together, we can accomplish great things.

So enjoy the evening and dance, dance, dance!

2024 Sid Gibson Imagine Award Recipient

The Sid Gibson Imagine Award was created in 2014 to recognize extraordinary people who positively impact our neighbors facing mental health and substance use issues. The Imagine award recipient imagines a community free from stigma and works tirelessly to achieve this goal.

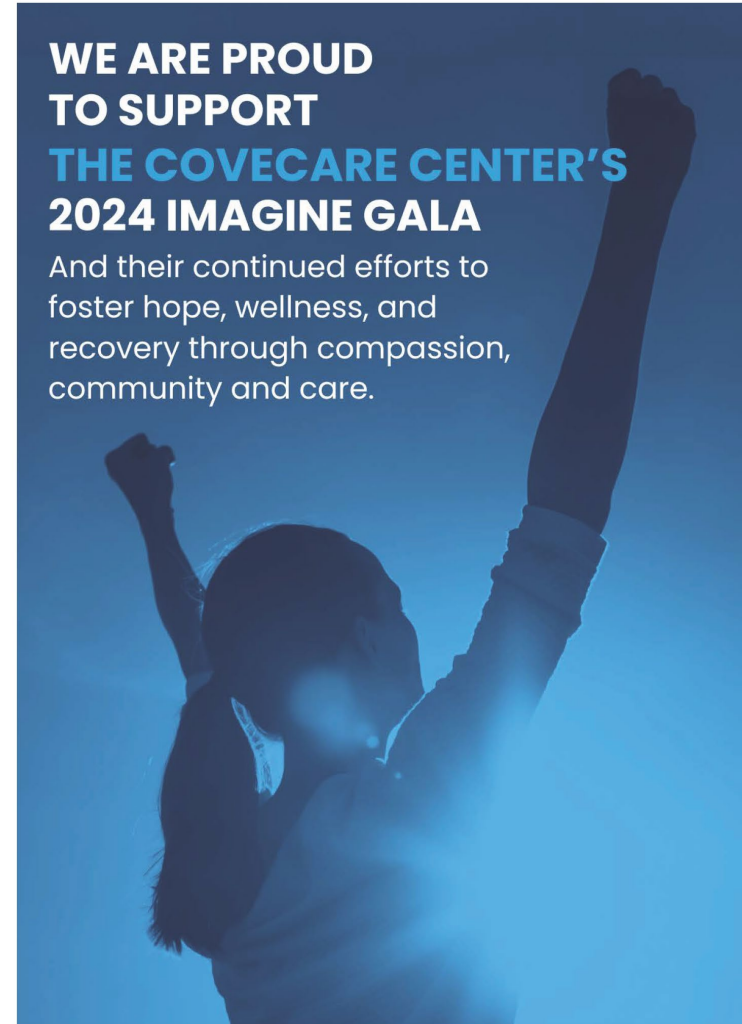

No one deserves the Imagine Award more than the four Rotary Clubs we honor this evening. They have been our partners and champions for years and our success is inextricably linked to theirs. We thank them for making our community stronger and our world a little bit better.

My friend Sid lived his whole adult life in recovery from alcoholism, anxiety and depression. We talked about it often. He knew how many people, like those who work at CoveCare Center, can change peoples lives. Tonight, Sid is looking down, knowing that his lifelong commitment to recovery and mental health is being fulfilled by honoring women and men who devote their lives to service.
