SENIOR PARTNERSHIP SERVICES

What Do We Do?

Senior Partnership Services is a grant program designed to provide services for residents of Putnam County aged 55 and over who are struggling with mental health or substance use issues. This service provides quality care **in your home or other convenient location, and is free of cost.**

We offer free:

- Community or home-based therapy
- Care management services
- Peer and recovery coaching

We also assist individuals to connect with community resources that can assist them with their needs.

How Can We Help?

Senior Partnership Services can provide assessments, short-term therapy, and care management to promote individual recovery and wellness.

Our goal is to help individuals improve their quality of life and to foster hope by addressing symptoms, providing quality, person-centered care, and assisting with connections to community resources.

Who Can We Help?

In order to be eligible for these services, you must be:

- Aged 55 and over
- A Putnam County resident
- Struggling with a mental health or substance use issue
- Agreeable to accepting help

No insurance or payment means are required.

Who Are We?

We are a partnership between three agencies in Putnam County: CoveCare Center, The Putnam County Office for Senior Resources and The Prevention Council (NCADD).

These organizations have come together to provide services tailored for the growing population of older adults in Putnam County. Our team is comprised of a licensed social worker, peer care manager, recovery coach, registered nurse and consulting psychiatrist.
